**BERNARD
GALLACHER**

**DAVE
STOCKTON**
United States

GALLACHER, the professional at Wentworth, had some of his finest Ryder Cup moments partnering Brian Barnes, while Lee Trevino, Lanny Wadkins and Jack Nicklaus were numbered among his singles victims. Gallacher, now 42, has played eight times in the Ryder Cup, but never on the winning side.

STOCKTON, who will be 50 in November, has played twice in the Ryder Cup, both times on the winning side. Stockton has two majors to his name, the 1970 and 1977 USPGA. On the only occasion when Gallacher and Stockton met head-on, in the singles at St Louis in 1971, they halved.
