

# What we want for Christmas

The recession may have hit sales, but luxury goods are still our favourite Christmas presents

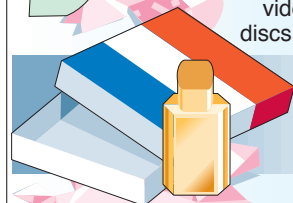

## Netherlands

Toys, perfume and ties

## United Kingdom

Electronic goods, video recorders, compact discs and computer games

## France

Perfume, cosmetics and jewellery

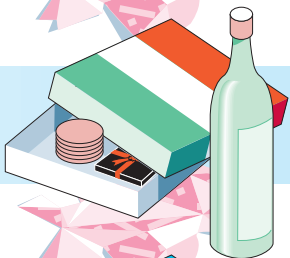

## Germany

Cordless phones and computers in the west, winter clothes in the east

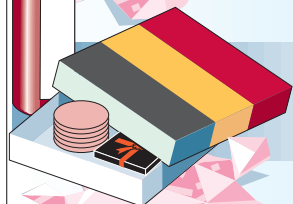

## Switzerland

Watches, jewellery and perfume

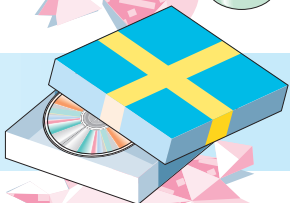

## Italy

Food products and books

## Belgium

Delicatessen foods, sweets, jewellery and toys

## Sweden

Compact disc players, computers and video games

## Denmark

Lingerie, perfume and household appliances
