

# STRIKE IN THE GULF

## Allied warplanes pack a punch

A-6 Intrauder attack planes inflicted the heaviest damage during Wednesday's 30 minute lightning strike on southern Iraq as U.S., British and French warplanes, loaded with 'smart' laser-guided bombs, blasted anti-aircraft missile sites, radar and mobile missile launchers

### 'Pave Tack' laser-guided bombs

10 times more expensive than conventional bombs but more than 100 times as accurate
