

Wembley sees history made

For the first time ever, the same teams will contest both major cup finals in the same season – starting with the Coca-Cola Cup at Wembley on April 18. As a result both sides could find themselves involved in European competition next season – provided neither side wins both trophies, in which case the third placed side in the Premier League would compete in the UEFA Cup

History in competition
Winners:
1991

Sheffield Wednesday

Manager:

Trevor Francis

Probable team:
