

# Israel continues Lebanon assault

119 people have been killed, more than 500 injured and 250,000 have fled their homes to escape Israeli land, sea and air bombardments of Lebanon. Traffic into Beirut is at a standstill with cars, many carrying ten or more people, jammed four or five abreast through the southern suburbs

*Katyusha rocket launcher*

Hizbollah and Palestinian fighters have fired 275 Katyusha rockets into Israel's self-styled security zone and northern Israel since Sunday. Israeli artillery has fired 25,000 rounds and aircraft dropped 1,100 bombs. Armoured columns including 35 tanks and motorised infantry have moved into south Lebanon
