

Final minutes of Lufthansa Flight LU 2904

① 17:34 local time:
Flight LU 2904 carrying
70 people lands during
heavy rain storm

② Aircraft should lose speed
after landing but instead
accelerates down runway –
possibly due to brake failure,
aquaplaning on wet runway
or sudden tailwind gust

③ Aircraft hits bank
at end of runway and
catches fire. Co-pilot
and 1 passenger
killed, 45 injured

Length of runway – 3,000 metres
