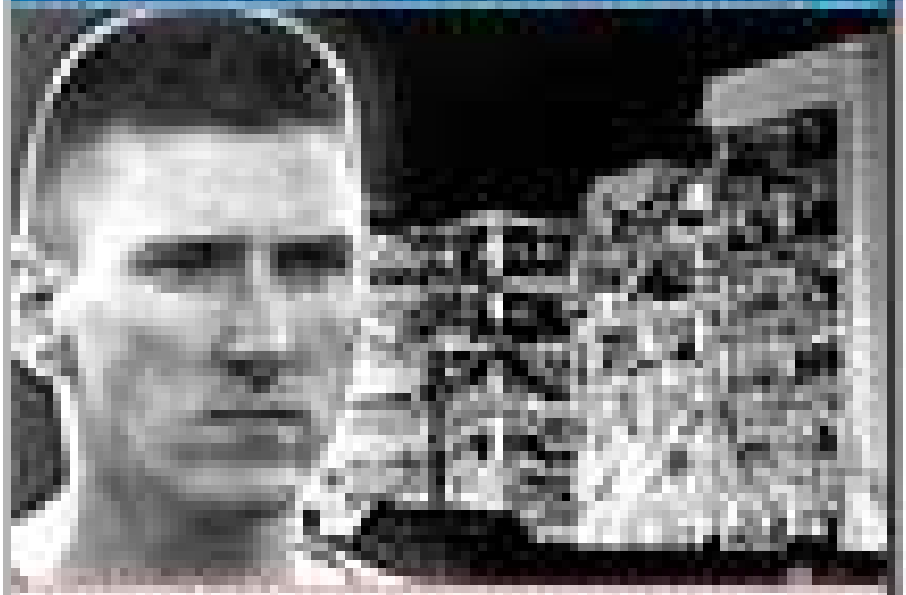
McVeigh: next steps



Penalty phase: Jurors begin hearing evidence. Prosecutors expected to call victims' relatives and survivors. Defence will call Timothy McVeigh's relatives, possibly McVeigh himself.

Sentencing: McVeigh faces death by injection, life without parole or lesser sentence determined by judge.

Death penalty: Execution date may be set no sooner than 90 days after sentencing. Would take place at U.S. Penitentiary at Terre Haute, Indiana.

Appeals: Defence almost certainly will appeal to the 10th U.S. Circuit Court of Appeals.
