## Six-a-side and beach volleyball

share similar gameplay and skills to prevent the ball touching the ground. But while the indoor game has specialists in each position, two-a-side beach players must be excellent all-rounders

**POSITION:** Players must stay in position e.g. left or right-sided, front or back court

### SERVICE

Receiving team rotates by one position after losing point

**Setter**  
Sets up attack

**Hitter**

**FRONT COURT**

**BACK COURT**

**Blocker**

**Libero**  
Defensive specialist

### SPIKING

Hitter smashes ball into opponent's side of court at up to 160km/h

**DIGGING:** Hands clasped, arms outstretched to "dig out" a spike

### BLOCKING

Interception by front court player
