

Israel barrier vote

The UN General Assembly has voted overwhelmingly in favour of a resolution demanding that Israel dismantles its controversial West Bank barrier. The resolution – which is non-binding – was drafted after the International Court of Justice ruled the barrier illegally cut into Palestinian land

In favour: 150

Including all 25 members of the European Union

Opposed: 6

Israel, United States,
Australia, Marshall Islands,
Micronesia,
Palau

Abstentions: 10
