

# Battle of the dolls

**Barbie** is out of the Christmas top 10 for the first time in many years, usurped by the ultracool **Bratz Flashback Party**. But it's not an all-girl slam-dunk. **Power Rangers Tri-Battliser** is hot favourite for the must-have boy toy and NASA-designed **Robosapiens** is tipped to be massive among the "big kids"

Listed in alphabetical order RRP
