

# Airbus record year

**Airbus beat Boeing in new orders in 2005 for the fifth year in a row, coming from behind with a surge of new business in December to finish a record year for the European-based industry**

***Boeing 787 Dreamliner:  
Delivery to start 2008***

**Airbus**

***A380: World's largest passenger plane – delivery to start 2007***
