

# Olmert forms new Israeli government

New Prime Minister Ehud Olmert has successfully formed a coalition government despite his centrist party Kadima holding just 29 seats in the 120-seat Knesset. Israel is now set to press ahead towards establishing "final status" frontiers – with or without agreement with the Palestinians

## COALITION SEATS

## UNDER THE AXE?

Signalling a major shift in defence policy, IDF no longer convinced settlements provide security – Kadima now discussing next wave of evacuations

- Settlements
- Possible evacuations
- Palestinian control
