

# Korea sanctions

**The U.S. is calling for a range of UN sanctions against North Korea in response to Pyongyang's nuclear weapons test**

**■ Condemnation of nuclear test and demand for N. Korea to rejoin Nuclear Non-Proliferation Treaty**

**■ End nuclear weapons programme**

**■ Impose total arms embargo**

**■ Ban on import of luxury goods**

**■ Freeze funds and assets used to support North Korea's nuclear and ballistic missile programmes**

**■ Travel ban on individuals and families who support North Korea**

**■ Cargo inspections to and from North Korea**
