

Korea sanctions

The U.S. is calling for a range of UN sanctions against North Korea in response to Pyongyang's nuclear weapons test

- **Condemnation of nuclear test and demand for N. Korea to rejoin Nuclear Non-Proliferation Treaty**
- **End nuclear weapons programme**
- **Impose total arms embargo**
- **Ban on import of luxury goods**
- **Freeze funds and assets used to support North Korea's nuclear and ballistic missile programmes**
- **Travel ban on individuals and families who support North Korea**
- **Cargo inspections to and from North Korea**
