

Aston Martin Vantage goes topless

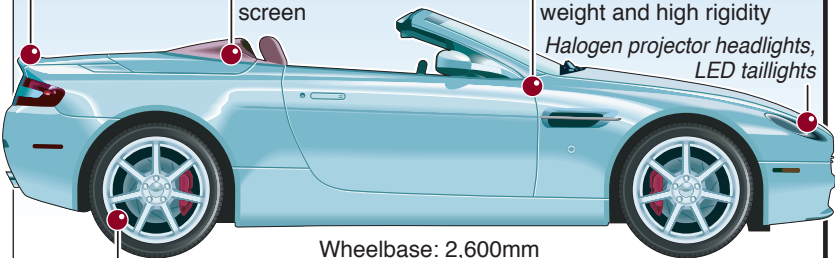

The Vantage Roadster is powered by the same engine as the fixed roof version – a 4.3 litre V8 motor which produces 380bhp and thrusts the car from 0-60mph in 4.8 seconds. Even the mechanism to open the roof takes just 18 seconds, and can operate while the car is moving at up to 30mph

Boot capacity:
144 litres

Roof mechanism:
Three-piece fabric roof with heated glass rear screen

Chassis: Lightweight alloy, magnesium and advanced composites give body low weight and high rigidity

Halogen projector headlights, LED taillights

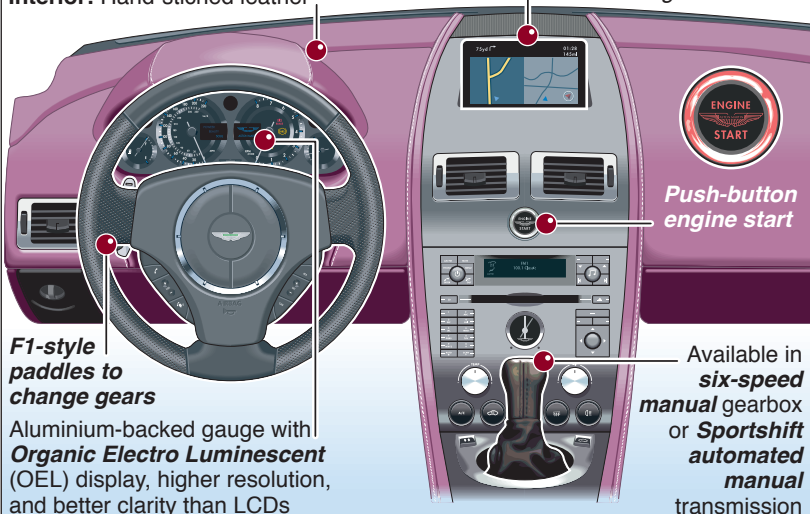

Wheelbase: 2,600mm

Rear wheel drive

Interior: Hand-stitched leather

Optional pop-up 6.25in satellite navigation screen

ENGINE START
Push-button engine start

F1-style paddles to change gears

Aluminium-backed gauge with **Organic Electro Luminescent (OEL)** display, higher resolution, and better clarity than LCDs

Available in **six-speed manual** gearbox or **Sportshift automated manual** transmission
