

Bush's negative role

President Bush is facing mounting disapproval of his policies around the world. A BBC World Service poll of 26,000 people in 25 countries shows less than three in 10 people (29%) now feel the U.S. has a mainly positive influence on the world, compared with 36% a year ago and 40% two years ago

Opinion of U.S. handling of...

Poll of 26,381 respondents conducted Nov-Jan.
Margin of error ranging from $\pm 2.5\%$ to $\pm 4\%$
