

# Korea nuclear deal

North Korea has tentatively agreed to shut down nuclear weapons facilities in return for energy aid – but will leave its existing arsenal untouched for now

**Yongbyon:** Reactor to be “permanently disabled” in 60 days. Inspectors to return

CHINA

NORTH KOREA

Pyongyang

Seoul

SOUTH KOREA

**ENERGY AID**

Initial supply of 50,000 tons heavy fuel oil, 950,000 tons to follow

**STOCKPILE**

40-50kg weapons-grade plutonium, enough for 6-8 bombs
