

# Aid pledges for Myanmar

Donor nations have pledged to provide Myanmar with more than \$150 million to help it recover from Cyclone Nargis, but say aid is dependent on allowing aid workers access to the hardest-hit areas

European Union	\$99.3m
----------------	---------

China	\$11.0m
-------	---------

Australia	\$24.0m
-----------	---------

The Philippines	\$20.0m
-----------------	---------

South Korea	\$2.5m
-------------	--------

Ruling junta continues to ban aid from U.S., British and French warships which have been moored off Myanmar's coast for past week
