

China chases U.S. in Olympic shooting

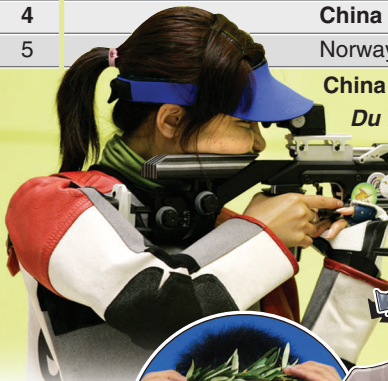

With 17 medals, including seven golds, China has been the most successful nation in shooting over the last two Olympic Games but the U.S. still heads the all-time table with a total of 97 medals

ALL-TIME MEDAL TABLE

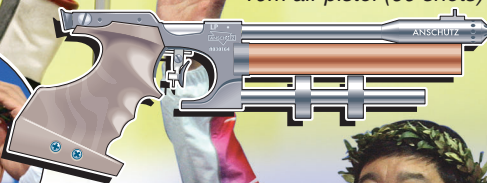

Rank	Nation	G	S	B	Total	First/Last medal
1	United States	48	27	22	97	1896 2004
