

Year	Revenue	Losses
2007	\$181.12bn	\$8.73bn
2006	\$205.60bn	\$1.98bn
2005	\$193.05bn	\$10.42bn
Losses since 2004*		\$51.13bn
*Last year GM made a profit		

General Motors worldwide

Detroit-based auto maker General Motors is burning through its cash reserves so quickly – at the rate of \$2 billion a month – that it may collapse by year's end. The failure of America's largest car maker, which has operations in 41 countries, would send shockwaves around the world
