

Audi brings luxury to drop-top motoring

Audi's all-new, four-seater A5 and S5 Cabriolet models offer the joy of open-top driving with a wide variety of engines, trim and gearboxes – seats even have built-in fans to blow warm air on to the back of your neck

Soft top: Stows in 15 secs, leaving 320 litres of luggage space

Leather seats: Heat-reflecting coating lowers temperature by up to 20°C

Engines: Turbocharged, direct-injected 2.0 TFSI or 3.2 TFSI petrol; 3.0-litre diesel

Wheelbase: 2,750mm

Sport differential: Distributes power between wheels for better handling

Multi Media Interface: MMI offers 4,000-track jukebox, iPod display, DVD playback, digital radio, TV, plus sat nav which displays multiple routes

Transmission: Manual 6-speed, automatic 7-speed or Multitronic continuously variable

Audi drive select: Push buttons offer different engine maps controlling fuel feed, throttle response, gear-shift points, and dynamic steering control
