

# My Sister's Keeper

Director: **Nick Cassavetes**

Starring: **Cameron Diaz, Abigail Breslin, Sofia Vassilieva, Alec Baldwin**

Anna (*Breslin*) has undergone surgery, transfusions and other treatments as the genetically closest match to her older sister Kate (*Vassilieva*) who has leukaemia.

Now, at age 13, Anna questions her parents' motives and with the help of her lawyer (*Baldwin*) sues for legal separation, threatening to tear the family apart.

Cameron Diaz, who plays the mother, and Vassilieva both give poignant and powerful performances

*A New Line Cinema release.*

*Runs 109 minutes*
