

Surveillance

Director: ***Jennifer Chambers Lynch***
Starring: ***Bill Pullman, Julia Ormond, Ryan Simpkins, Pell James***

Dark thriller in which FBI agents Sam Hallaway (*Pullman*) and Elizabeth Anderson (*Ormond*), arrive in a dust-blown prairie town following a brutal multiple homicide.

Three witnesses reveal their stories in flashback – a weirdly calm young girl (*Simpkins*), a twitchy cocaine addict (*James*) and a trigger-happy police officer – but none of their stories seem to match.

The film struggles to keep a lid on its twisty ending

A Magnet Entertainment release.
