

Public Enemies

Director: ***Michael Mann***

Starring: ***Johnny Depp, Christian Bale, Marion Cotillard, Billy Crudup***

The FBI sends its top man, Melvin Purvis (*Bale*), to take down notorious American gangster John Dillinger (*Depp*) during a booming crime wave in 1930s Chicago.

Dillinger, meanwhile, is waylaid by the adorable Billie Frechette (*Cotillard*).

It looks terrific with its period details and costumes, rich production values and striking high-definition cinematography from frequent Mann collaborator Dante Spinotti

A Universal Pictures release.
