

Ice Age: Dawn of the Dinosaurs

Director: ***Carlos Saldanha***

Starring: ***Ray Romano,
John Leguizamo, Denis Leary***

Third in the popular ***Ice Age*** animation series sees life changing for Manny and his friends. Scrat is still on the hunt for the ever-elusive acorn, while Manny and Ellie are awaiting the birth of their baby mammoth.

The main thing that distinguishes this movie from its predecessors is its setting in a lost underground world of dinosaurs. Strictly a slapstick tale for the young ones

A Twentieth Century Fox Animation release.

Runs 93 minutes
