

Shrink

Director: ***Jonas Pate***

Starring: ***Kevin Spacey, Saffron Burrows, Keke Palmer***

Hollywood top celebrity shrink, Dr. Henry Carter (*Spacey*), is sharply verbal, darkly funny, and in desperate need of psychiatric repair himself.

Among his clientele are a veteran starlet struggling to stay relevant, an A-list actor who's an alcoholic sex addict, an obsessive agent, and a wannabe screenwriter, when into Carter's appointment book stumbles a precocious but troubled high school student (*Palmer*). Spacey's presence and command are tough to beat
