

Crossing Over

Director: ***Wayne Kramer***

Starring: ***Harrison Ford, Ray Liotta, Ashley Judd, Jim Sturgess***

Through six overlapping storylines Kramer depicts how an immigrant's dream of U.S. citizenship often comes at a price.

Ford brings a quiet intensity to Max Brogan, an immigration cop, while Judd plays a compassionate defence attorney whose corrupt husband, Cole (*Liotta*), trades residency permits for sexual favours.

Crossing Over has moments of true emotional poignancy but risks becoming overly melodramatic

A Weinstein Company release.
