1 Kenya: U.S. Secretary of State **Hillary Clinton** will urge leaders not to let political and tribal divisions mar democratic development. Will address African trade forum and meet with president of lawless Somalia's interim government to offer U.S. support

2 S. Africa: Will stress importance of efforts to combat HIV/AIDS, and urge **President Zuma** to press Zimbabwe to implement reforms more quickly

3 Angola: Expected to strengthen U.S. ties with oil-rich country seen as emerging financial powerhouse in Africa

4 Democratic Republic of Congo: Will urge leaders to do more to fight corruption. Visits Goma to highlight plight of women subjected to rape and other atrocities

5 Nigeria: Major U.S. energy supplier. Clinton will discuss issues of corruption, security in Niger Delta and recent Islamist violence in north

6 Liberia: Will show U.S. support for Africa's only female president **Ellen Johnson Sirleaf**, offering backing for development and security reform

7 Cape Verde: Visits group of nine small islands often hailed as success story for African democracy
