

Paper Heart

Director: **Nicholas Jasenovec**

Starring: **Charlyne Yi,**
Michael Cera, Jake M. Johnson

A whimsical version of Sacha Baron Cohen's **Borat**, with Charlyne Yi travelling the country on a quest to discover whether true love exists.

The film starts as a documentary, but changes as Yi (*playing herself*) finds that she's unexpectedly falling for a friend of the camera crew named Michael (*Michael Cera, also playing himself*).

Jasenovec interleaves fictional and real interviews to bring a modern perspective to a classic love story
