

Julie & Julia

Director: ***Nora Ephron***

Starring: ***Meryl Streep, Amy Adams, Stanley Tucci, Chris Messina***

Ephron cuts back and forth between the lives of Julia Child (*Meryl Streep*), the larger-than-life TV chef and author who inspired millions of Americans to embrace French cuisine; and Julie Powell (*Amy Adams*), who spent a year making all 524 recipes in Child's "***Mastering the Art of French Cooking***".

Streep portrays Child with a delightful mix of sweetness, awkwardness and most of all an unabashed joie de vivre
