

Ponyo

Director: **Hayao Miyazaki**

Voices: **Cate Blanchett, Noah Cyrus, Matt Damon, Tina Fey, Liam Neeson**

If you're five years old, the latest animated fantasy from Japanese writer-director *Hayao Miyazaki* is probably awesome.

For everyone else, though, the story of a goldfish who longs to be a little girl will seem beautiful but surprisingly boring: a children's film that's at once overly simplistic and needlessly nonsensical.

The hand-drawn images are as wondrous and inventive as they are in all of Miyazaki's films
