

Porsche Panamera four-door sports car

The Panamera Gran Turismo, Porsche's first production four-door, four-seat sedan, can hit 160km/h in 9.0 seconds flat. Driver-selected suspension settings – Normal, Sport, and Sport Plus – vary shift speed and elevate performance and throttle response at the touch of a button

Engine: 4.8-litre, DOHC, 32-valve V-8 with fuel- and emissions-saving stop-start system

Brakes: Six-piston calipers at front, four-piston at rear

Rear spoiler: Unfolds to generate downforce above 204km/h

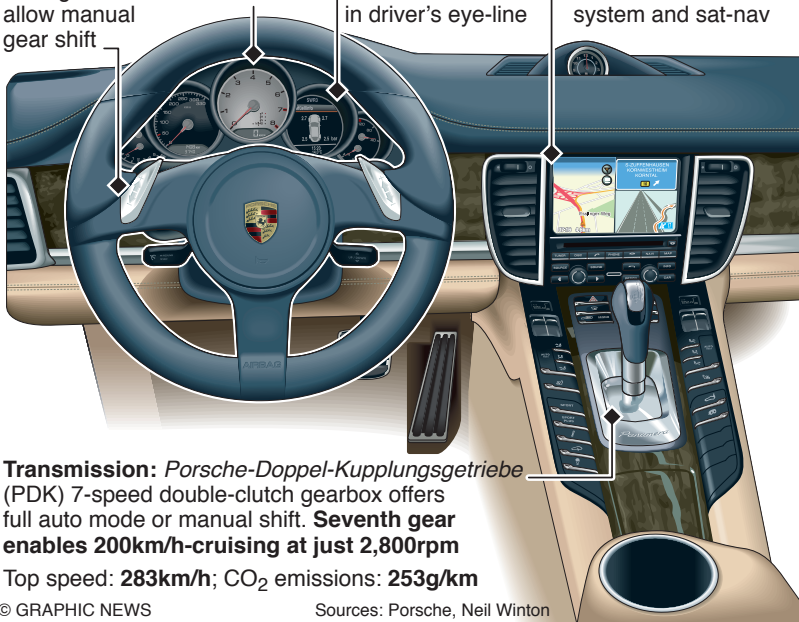

Instrumentation: Sliding levers allow manual gear shift

Analogue tachometer

LCD data display includes sat-nav in driver's eye-line

Touchscreen controls communication system and sat-nav

Transmission: *Porsche-Doppel-Kupplungsgetriebe* (PDK) 7-speed double-clutch gearbox offers full auto mode or manual shift. **Seventh gear enables 200km/h-cruising at just 2,800rpm**

Top speed: **283km/h**; CO₂ emissions: **253g/km**
