

## Turkey warns U.S. over Armenia genocide vote

**As the U.S. House of Representatives considers whether to recognise the 1915 killing of Armenians as genocide, Turkey warns a positive vote could jeopardize U.S.-Turkish cooperation and set back negotiations aimed at reopening the border between Turkey and Armenia**

**İncirlik base:**

Turkey could retaliate by denying use

of strategic airbase to U.S. military

**Border:** Sealed by Turks in 1993 in solidarity with Azerbaijan during war with Armenia over Nagorno-Karabakh
