

# New name inscribed on World Cup trophy

For the first time in 32 years, neither team contesting the World Cup Final has won it before. Only 12 nations have made the final in the tournament's 80-year history, and this year's victor will be only the eighth to lift the trophy

## APPEARANCES IN FINAL

1978: Argentina faced Netherlands with neither having previously won

## WINNERS

1998: Last new name on trophy
