

# International pressure on Gaddafi increases

**U.S.:** Repositioning Navy warships and air forces to support possible humanitarian or military intervention.

**Around \$30bn in Libyan assets seized**

**UK:** Working with allies on plan to establish military no-fly zone over Libya to protect population from attacks by Gaddafi's forces

**France:** Sending two planes carrying aid to opposition-controlled city of Benghazi

**EU:** Arms embargo, asset freeze and travel ban on Gaddafi's entourage imposed
