

Australia seeks uranium sales to India

Australian Prime Minister Julia Gillard is attempting to overturn legislation banning the sale of uranium to India. If passed, it would help India meet its ambitious energy targets and give Australia a valuable cash boost

AUSTRALIAN URANIUM EXPORT SALES

(tonnes, 2008)

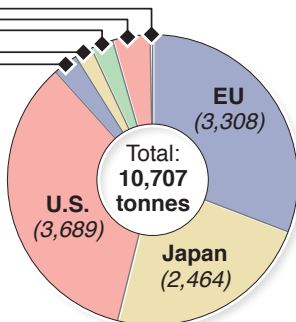

Other (23)

Taiwan (447)

Canada (249)

South Korea (214)

China (313)

AUSTRALIAN URANIUM EXPORT REVENUE

2,000 (A\$, million)

Predicted revenue with sales to India
