

# Syrian refugee numbers swelling

The UN estimates that at least 30,000 refugees have fled the fighting in Syria since the start of the uprising a year ago, while many thousands more are displaced within Syria itself

**TURKEY:** Seven refugee camps near capacity. Two new camps to bring total capacity to 45,000

Refugees abroad:  
**30,000**

Displaced within Syria:  
**200,000**  
(est.)

## MEDITERRANEAN SEA

**LEBANON:** Around 7,000 refugees in north, including Tripoli. Around 4,000 in Bekaa Valley and 1,000 more elsewhere
