

Violence between Israel and Hamas escalates

The escalating conflict in Gaza reached a new peak when a Palestinian rocket fired killed at least three Israelis. The attack is likely to intensify Israel's strongest assault on Gaza in four years

Nov 14-15: Israel steps up assault following increase in rocket attacks from Gaza. Hamas military chief **Ahmed Jabari** assassinated. 13 Palestinians, including five militants and three children, killed in shelling from land, sea and air

Militants retaliate by launching over 200 rockets – Israel claims 145 intercepted by Iron Dome system
