

World's first origami kayak

Inspired by the traditional Japanese art of paper folding, the Oru Kayak is made from a single sheet of corrugated plastic which can be carried like an art portfolio but unfolds into a 3.7m-long boat in just five minutes

Oru Kayak becomes its own carrying case (83x73x25cm)

Seat acts as lid for carry case

Foam backrest

Front and back bulkheads

Case holds four-piece paddle and life vest

Price: \$850

Foam seat

ASSEMBLY

Permanently moulded creases for easy folding

Hull: Double-layered plastic withstands 20,000 fold cycles without structural failure

Adjustable footrest

BOAT

Length: 3.7m
Width: 63cm
Weight: 11kg

Weight capacity: 117kg

Single seam sealed with watertight rubber gasket – kayak held together by two bolts, straps and buckles
