

Career highs and lows of Quentin Tarantino

With awards season upon us, Quentin Tarantino's 10th directorial opus, *Django Unchained*, is soon to be on general release worldwide

HOW ROTTEN TOMATOES RATES MOVIES DIRECTED BY TARANTINO*

*Does not include Tarantino's first film, *My Best Friend's Birthday* (1987), that was partly destroyed by fire during editing and never officially released. Later became basis for *True Romance* (1993), that he wrote but did not direct

†Anthology comedy consisting of four segments. Tarantino wrote and directed segment called *The Man From Hollywood*

‡Originally released on double bill called *Grindhouse*, with Robert Rodriguez's *Planet Terror*. After poor U.S. box-office receipts, films were re-released separately as extended versions in rest of world
