

# European Union horsemeat trade

More than 300,000 horses are slaughtered for human consumption within the EU each year, while a further 26,000 tonnes of horsemeat – valued at around €90 million – are imported from Canada and Latin America

EU imports of horsemeat (tonnes, 2011)

Horses slaughtered for meat

Canada	8,874
Argentina	7,300
Mexico	5,430
Uruguay	2,884
Brazil	1,602
120 Australia	
64 New Zealand
