

# N. Korea closes border

North Korea has blocked entry by South Korean workers to the jointly run Kaesong industrial complex

## KAESONG INDUSTRIAL ZONE

■ Checkpoint at Kaesong is last functioning border crossing between two Koreas

■ Complex launched in 2003, largely financed by South Korea

■ More than 120 factories employ over 50,000 North Koreans and around 850 South Korean managers

■ South Korean firms pay more than \$80m per year in wages to North Korean factory workers
