

Surveillance requests

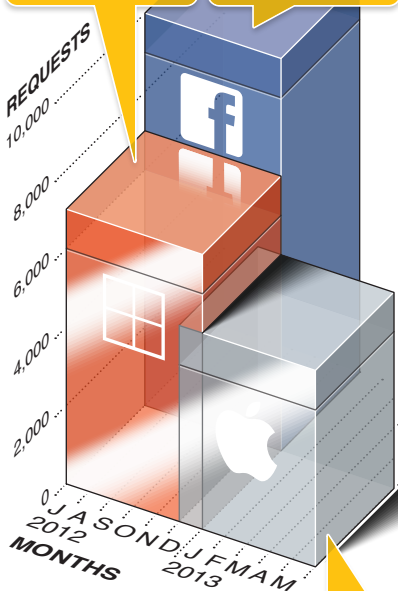

Apple has joined Facebook and Microsoft in disclosing how many requests the U.S. government has made to view customer data

**Microsoft,
Jul-Dec 2012:
6,000-7,000
requests**

(31,000-32,000
user accounts)

**Facebook,
Jul-Dec 2012:
9,000-10,000
requests**

(18,000-19,000
user accounts)

**Apple, Dec 1, 2012 - May 31, 2013:
4,000-5,000 requests** (9,000-10,000
user accounts or devices)
