

UK parliament's porn habit unveiled

More than 300,000 attempts were made to access pornographic websites at the Houses of Parliament in the past year, according to official records.

At least 5,000 people are working on the parliamentary estate

ATTEMPTS TO ACCESS
PORN WEBSITES ON
PARLIAMENTARY
NETWORK

Officials warn figures are inflated by pop-ups, auto-refresh and other web design features and do not reflect deliberate efforts to access sexual content
