

# EasyJet passenger numbers climb

EasyJet is catching up with budget airline leader Ryanair in terms of passenger numbers, with customer service improvements such as allocated seating helping to boost appeal to a wider range of clients

Passenger numbers (2013)  
Change on previous year

**00%** Load factor (measure of how many seats per flight are occupied)

**RYANAIR**

**83%** 81.4 million  
Up 2.3%
