

# Russian troops mass at Ukrainian border

Russia is gathering thousands of troops and armoured vehicles at its border with Ukraine, alarming the interim government in Kiev about a possible invasion, and escalating tension between the Kremlin and the West

Sukhoi-27

**1 Mar 13, Donetsk:** One man killed in clashes between pro-Russian and Kiev supporters

**Crimea:** Around 30,000 Russian troops reportedly in control of region. Ukrainian government and Western allies say they will not recognise result of Crimean referendum
