

Roland Garros 2014: Men's preview

1 Rank

1 Rafael Nadal (ESP) Age: 27

Aiming for ninth Paris title, despite unconvincing 2014 record on clay – exiting in quarters at Monte Carlo and Barcelona, and winning in Madrid against injury-hit **Kei Nishikori**

3 Stanislas Wawrinka (SUI) 29

On peak form this year, winning Australian Open final against injury-hit Nadal to secure his first major, and overcoming **Roger Federer** to claim first Masters title in Monte Carlo

2 Novak Djokovic (SRB) 26

Returned for Rome Masters after pulling out of Madrid with wrist injury. Will be looking to end Nadal's reign at Roland Garros, which remains only major Djokovic has yet to win

4 Roger Federer (SUI) 32

Climbing back up ATP rankings after below-par season in 2013. Missed Madrid Masters after his wife gave birth to second set of twins, but returned to play in Rome
