

2014 sees cluster of aviation tragedies

Despite three passenger plane crashes in the past week pushing fatalities to more than double those of 2013, aviation accident rates have been steadily declining, according to international accidents body B3A

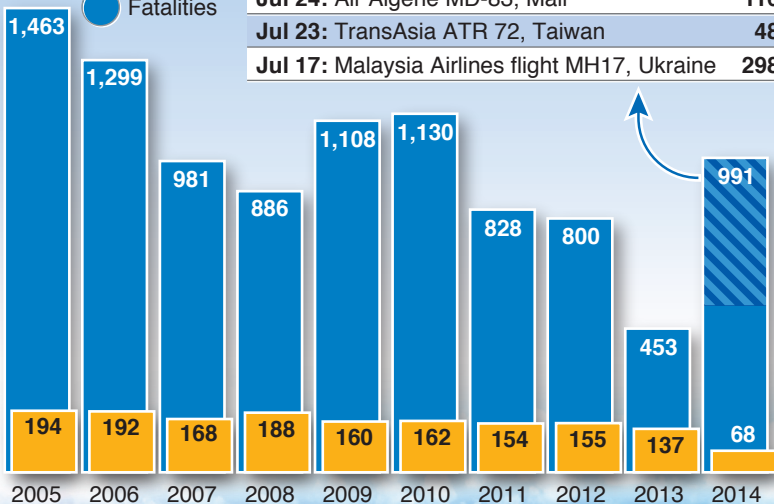

Fatalities since July 17: 462

Jul 24: Air Algerie MD-83, Mali 116

Jul 23: TransAsia ATR 72, Taiwan 48

Jul 17: Malaysia Airlines flight MH17, Ukraine 298
