

# Mass grave probe for Mexico students

Authorities searching for 43 students abducted after clashing with police in September are investigating a mass grave in the town of Cocula. 56 police officers, local officials and gang members have been arrested

**Sep 26, Iguala, Guerrero state:** Authorities allege that local police shot at protesting students' buses, leaving six people dead. Remaining 43 students were handed to police in neighbouring town of Cocula. Police then delivered them to **Guerreros Unidos** drug trafficking gang. **Sidronio Casarrubias Salgado** (left), leader of gang, arrested October 22
