

# Global crises driving record UN aid appeal

Armed conflicts forcing millions to flee their homes have intensified over the last year and created an “unprecedented” refugee crisis that will require \$16.4 billion to address next year, the UN has warned

NUMBER OF PEOPLE TO RECEIVE HUMANITARIAN AID IN 2015 (millions)

## FUNDING REQUIREMENTS FOR 2015 (\$ billions)

■ *Four crises – Syria, South Sudan, Iraq and Central African Republic – together account for over 70 percent of overall funding requirements*

\* Excludes funding for Sahel and Djibouti – to be finalised in 2015
